Branded Graphics, Built-In Screen: DesignView®

Build your presentation right into your display! With front or rear screen projection, DesignView® gives you a big, branded graphic with a built-in screen area for seamless, impactful messaging.

Short-Throw Projection

Get presentations measuring up to 100" (254 cm) diagonally with a projector that is up to 31" (79 cm) away - leaving you ample space for interaction.

Easy, No-Tools Set Up

Foldable frame with pre-attached fabric graphics sets up in about 2 minutes. Low-profile support feet provide stability.

Fabric Graphics, Integral Screen

Brilliant Skyline graphics carry your brand and have screen areas available in a variety of sizes and positions to fit your needs.

Packs Small

Frame and graphic fits in a single soft-sided shipping case with wheels. The projector fits in an additional wheeled protective shipping case with retractable handle.

Buyers Choice Award Winner!

DesignView® voted best new product at EXHIBITOR2009

Impact for Rent!

Get high impact with low investment. DesignView units, complete with projector, are available for rent. You can purchase a custom, branded graphic screen or, for even lower costs, rent a standard screen - black, gray, beige or white.

ImagePro 8101H

Ultra Short Throw LCD Projector

The ImagePro 8101H features a short throw distance to allow placement where user shadow does not affect image viewing

FEATURES

- 2500 Lumens Brightness
